MESSAGE FROM OUR PRESIDENT

L.E. Maxwell, Prairie's co-founder and my grandfather, shared that "none of us dreamed what God was going to do out here on these barren prairies." In truth, no one could have dreamed that over the years 17,000 students would leave this place prepared to serve God in 114 countries around the world.

With a 95-year history, it is amazing to reflect on what God has done through this place, but it is equally encouraging to see what He is doing today. I have been energized by conversations with our current students. Here are just a few of their comments:

- "I'm learning so much from God's Word."
- "The faculty cares!"
- "This year has gone too fast. I don't want to leave..."
- "Thank you for the Bible." (Every student receives a Bible as a gift, symbolic of our commitment to holistic Bible teaching.)

Training for Service to meet the Greatest Needs in the World...

I thank God that as students encounter the whole text of Scripture, and interact with staff and faculty, lives are being transformed! Our desire is that all Prairie College students will be prepared to address the greatest needs around them with confidence and hope. No matter what program you are looking into, it is important for you to know that we hold four key values that motivate what we do and what we teach:

- We are Christ-centered. He is our Life and we have purposed to know Him more deeply.
- We are Bible-based. By the time you cross our stage and receive your diploma, we trust that you will have been transformed by teaching grounded in God's Word.
- We are discipleship-directed. As life-long learners and followers of Jesus, we are committed to serving and building up one another.
- We are missions-mandated. The need for the message of the Cross – whether at home or around the world – has never been greater.

I am reminded of Paul's words in Romans 10, "How then will they call on Him in whom they have not believed? And how are they to believe in Him of whom they have never heard? And how are they to hear without someone preaching? And how are they to preach unless they are sent? As it is written, 'How beautiful are the feet of those who preach the good news!'"

In this catalogue you'll find a diverse and innovative selection of programs that combine faith, education, and practical skills. But even more important than relevant programs, excellent professors and campus facilities, Prairie is a place for you to discover a solid foundation, get well-grounded, and develop your unique gifts.

If what you find in this catalogue echoes with your heart's desire, please contact our admissions team or come for a campus visit. We would love to see you soon. Come and realize God's exciting purpose for your life.

GENERAL INTRODUCTION

WHO WE ARE

Prairie College, a ministry of Prairie Bible Institute, is a leading Canadian, Christian post-secondary institution that integrates applied education, biblical literacy, and spiritual formation to equip students for addressing the world's greatest needs impacting society, church and mission. Prairie opened its doors for the first time on October 9, 1922 with eight students meeting in a small abandoned farmhouse. The campus steadily expanded as more and more students began arriving, eager to learn from L.E. Maxwell and many other dedicated Bible teachers. For nine decades, Prairie has helped prepare thousands of alumni to become faithful servants of Jesus Christ, reaching out to people in more than 110 countries around the globe.

OUR MISSION

Prairie College serves the Church by training and mentoring Christians through biblically integrated post-secondary education.

STATEMENT OF FAITH

The Scriptures

We believe the Old and New Testament Scriptures are divinely inspired, are entirely true and trustworthy, and constitute the only supreme authority in all matters of doctrine and conduct.

The Trinity

We believe there is one living and true God, eternally existing in three persons--Father, Son, and Holy Spirit--who are the same in essence and co-equal in power and glory.

Jesus Christ

We believe in the full deity and full humanity of our Lord Jesus Christ. We affirm his virgin birth, sinless life, divine miracles, atoning death as our substitute, bodily resurrection, ascension into heaven, ongoing work as our mediator, and personal return in power and glory.

The Holy Spirit

We believe in the Holy Spirit by whose regenerating power and ongoing ministry the believer is enabled to live a holy life and to witness and work for the Lord Jesus Christ.

Creation

We believe in the direct creative acts of God as recorded in Genesis.

Satan

We believe that Satan, a fallen angel along with other angelic beings, rebelled against God and was cast out of Heaven. Although he was defeated at the cross, he continues to be the archenemy of God, angels, and humanity. He will be judged and his final destiny will be the lake of fire.

Humanity and Sin

We believe humanity, male and female, was created in the image of God. In Adam all humankind fell into sin through disobedience to God incurring both physical and spiritual death. All people are born with a sinful nature, are separated from God, are sinners in thought, word, and deed, and are in need of salvation.

Salvation

We believe the grace of God alone provides salvation from sin for all humanity only through personal faith in Jesus Christ alone and his all-sufficient atoning death on the cross and his victorious resurrection.

The Christian Life

We believe that Christians are to grow spiritually and stand firm against the spiritual forces of evil through submission to the Lordship of Christ, the knowledge of God's Word, the power of the indwelling Holy Spirit, and prayerful dependence on God. Scripture commands believers to love God and others and to live out their salvation with care for one another, compassion for the poor and needy, and justice for all. In obedience to Christ's commission, believers are to make disciples among all people.

The Church

We believe the Church, the Body of Christ, consists of all true believers, and with Christ as Head, she manifests herself in local churches to glorify him, edify believers, and evangelize spiritually lost humanity everywhere.

The Return of Jesus Christ

We believe in the literal, bodily return of the Lord Jesus Christ.

Future State of the Dead

We believe in the bodily resurrection of both believers and unbelievers, those who are believers unto the resurrection of eternal life in the presence of God, and those who are unbelievers unto the resurrection of eternal punishment separated from God.

OUR CORE VALUES

Four core values motivate what we do and what we teach. We are committed to integrating these values into all aspects of classroom and community life, in both academic and practical ways.

Christ Centered - Christ is the life-transforming centre of and reason for our learning community. We lovingly follow Him, under the guidance of the Holy Spirit, and gratefully depend on the Lord Almighty for all our needs.

Bible Based - The Bible is the God-breathed Truth through which He nourishes our community. We willingly obey it and submit our lives, community, and program to its authority.

Discipleship Directed - We are a faith community being disciplined by one another as followers of Jesus. We diligently teach and eagerly learn His truth to be transformed together into His likeness.

Mission Mandated - God is on mission to bring redemption and reconciliation, sending His Church as ambassadors into the world. We actively respond through lives of servanthood and sacrifice to honour God and for the good of others.

EDUCATIONAL PRIORITIES

The goal of the Prairie education program is to develop lovers of God characterized by the discipleship of renewed minds, compassionate hearts, and skilled hands.

The educational approach includes these curriculum priorities:

- The study and practice of the Scriptures is central. Each program includes a significant biblical/theological foundation. Prairie affirms the authority of the Scriptures, the triune God addressing us through them and re-shaping us to engage other academic disciplines in the curriculum.
- We foster cultural literacy and understanding through academically rigorous humanities and social sciences courses which complement the study of scripture, theology, and ministry preparedness. The emphasis on biblical study and understanding informs and influences the study of other subjects; similarly, the insights of other disciplines inform the study of the biblical text. This holistic educational approach cultivates the study of those disciplines which instruct our horizontal relationships with our neighbors in integration with courses which strengthen our vertical relationship with God.

- The third educational component is training in specific skills through which our students connect to and serve the greatest needs of the world.

ACCREDITATION AND TRANSFERABILITY

Prairie College is authorized by the Legislative Assembly of the Province of Alberta to grant degrees. The College is accredited by the Association for Biblical Higher Education (ABHE). ABHE is an accrediting body recognized by the Council for Higher Education Accreditation (CHEA) and the U.S. Department of Education. Contact information for ABHE: 5850 T. G. Lee Blvd., Ste 130, Orlando, FL 32822; phone 407-207- 0808; www.abhe.org.

Practical Nursing education is delivered by an approved program through Bow Valley College and EMR/EMT by an approved program through Professional Medical Associates.

Alumni are able to continue their education at seminaries and other institutions of higher education. Graduates have been accepted at such schools as Regent College, Providence Seminary, and Trinity Evangelical Divinity School (Trinity International University). Agreements for educational recognition are also in place with King’s University College, the University of Lethbridge, the University of Waterloo, and Trinity Western University. As in any educational context, the extent of transferable credit often relates to grades achieved as well as the particular course of studies being pursued.

STUDENT OUTCOMES

OUTCOMES DERIVED FROM VALUES

The Institutional outcomes include inviting students to:

- become lovers of God
- know and be nourished by God through the Scriptures
- grow in obedience to Jesus Christ in the power of the Holy Spirit
- be on-mission for the Kingdom of God

SECTOR OUTCOMES

The institutional outcomes spawn the following outcomes in the sectors of the college program.

Bible/Theology

- Articulate the master narrative of Scripture in its historical settings
- Interpret Scripture in various genres in order to wisely participate in God's mission
- Describe in general terms the history and content of Christian theology
- Think theologically in a culturally sensitive way.
- Participate in spiritual practices of the Christian tradition for life transformation.

Arts & Science

- Understand foundational principles and concepts, vocabulary and practices of the particular subject disciplines.
- Demonstrate satisfactory competence in the academic/cognitive skills of library research, critical and persuasive essay writing and oral communication.
- Confidently display mature character behaviors that include: servant leadership, contextual sensitivity towards others, creativity in ministry, teamwork, sharing the gospel, and responding to cultural challenges of the Christian faith.

Student Development

- Engage God in deepening relational intimacy.
- Love others sincerely through attitudes and actions of genuine biblical love.

- Exhibit Christ-like transformational change.
- Serve the purposes of God for His world through worship, witness, mission, justice and stewardship.

SPIRITUAL FORMATION

Prairie is deeply committed to Christian spiritual growth as a core outcome of the educational experience. This growth is centered in developing an authentic relationship with the Triune God and students are intentionally engaged in practices and priorities such as student ministry, chapel, spiritual life events, small group, and congregational commitment that are designed to cultivate this transforming friendship. This discipleship integrates into and influences all Prairie experiences including classes in all disciplines, athletics, relationships, recreation, residence, and service. Learning to follow Jesus Christ is an irreplaceable requirement and privilege for every student in every program at Prairie.

The staff and students agree to journey together as we seek God within this Christ-centered learning community. This agreement of how we live and work together is known as our Community Covenant. Every staff member and student must clearly understand and sincerely embrace the Community Covenant and the responsibilities for the community to work together harmoniously. Therefore, you are required to thoroughly read and then commit yourself to the Community Covenant prior to enrollment.

ATHLETICS

Prairie's Athletic Department is committed to the development of Christian athletes who have a desire to serve Christ within the context of competitive college sport. Men's and women's volleyball, basketball, and futsal teams compete with other colleges within the Alberta Colleges Athletic League. Intramural recreation offers a full schedule of activities, including soccer, volleyball, basketball, and many other sports. There is also opportunity for rock climbing on our indoor climbing wall. Another essential part of the athletics department is our CORE fitness training center.

MISSIONS CONFERENCE

Prairie's annual Global Connections Conference is a time of spiritual refreshment and challenge for students, staff, and alumni friends from across North America. This conference exposes students to internationally known speakers, mission organizations, and the challenge of worldwide missions.

DISTANCE EDUCATION

Prairie Distance Education administers courses delivered at a distance by various means. Full information on programs, courses, polices, and enrolment may be found at <http://www.prairie.edu/distance>.

LIVING IN COMMUNITY

Prairie seeks to foster unity between all genuine Christians. The College is neither supported by any one denomination, nor does it identify exclusively with any particular denomination. The 20+ denominations represented in our student body include Alliance, Anglican, Baptist, Brethren, Evangelical Free, Lutheran, Mennonite, Methodist, Nazarene, and others. Members of the faculty and staff also represent a variety of evangelical denominations and fellowships. There is great diversity in the educational community.

Prairie is an educational arm of the Church and exists for the equipping of men and women to fulfill the global mission of the church. Prairie desires that students develop attitudes and behaviours essential to living in unity with other believers in the global church.

Within the diversity of our campus community we seek to maintain 'the unity of the body within the bond of peace.' We find our mutual center in Jesus Christ and agreement in the great essential doctrines of the Bible as articulated in our statement of faith—for example, the inspiration of the Scriptures, the vicarious death of Christ, and His bodily resurrection. We recognize that within an interdenominational college sincere Christians differ in their understanding of the Bible's teaching on secondary matters. In these areas we must keep the unity of the Spirit even though we may differ

in our interpretations. In humility before God and one another we live with the basic commitment of “in essentials unity, in non-essentials liberty, in all things charity.” In the interest of unity, the College expects that staff and students will be respectful of those who hold different understandings of the Scriptures.

ADMISSIONS, FEES, & FINANCIAL AID

ENTRANCE REQUIREMENTS

Within the context of our theological conviction and mission, it is Prairie's policy concerning the admission of students, not to discriminate on the basis of the applicant's colour, gender, or ethnic origin.

Admission to Prairie is based on three criteria:

1. Personal Christian Life and Testimony (character)

An applicant's Christian life and testimony is disclosed by answering several questions on the application as well as through the information submitted on the Pastor's and General Reference Forms.

2. Academic Performance

Admission to Prairie requires students to obtain a high school diploma or equivalent and have a minimum final average of 60% in five Grade 12 (senior) subjects, one of which must be English. If a student is not enrolled in five Grade 12 subjects, course marks from relevant Grade 11 subjects may be considered.

Applicants who do not meet the academic requirements may submit a written request to have them waived on the basis of motivation and improved academic skills. An Admissions Committee, composed of the Director of Admissions, the Registrar, and the Director of Student Development, will make a decision on the request. Students admitted by this process will enter on Academic Probation, which imposes certain restrictions and requires accountability measures.

Practical Nurse Students are also required to meet Bow Valley College entrance requirements. These include:

- Minimum final mark of 60% in English 30-1 or 70% in English 30-2 or equivalent
- Credit in Math 20 Pure or a minimum final mark of 60% in Math 20 Applied or equivalent.
- Minimum final mark of 60% in Biology 30 or a minimum final mark of 60% in Anatomy and Physiology (ANAT1101) at Bow Valley College or equivalent course.

3. English Language Proficiency

For applicants whose first language is English, proficiency is measured by Grade 12 course marks. Please see the information below on Thinking and Writing placement.

For applicants whose first language is not English, proficiency is measured by an approved English language testing service. See the International Students section below.

Thinking and Writing Placement

Students enrolled on most academic programs must take HF 111 Thinking and Writing in one of their first two full-time semesters unless they've fulfilled the requirement by some other means (e.g. transfer). Students must meet the English Placement Policy requirements in order to enroll in HF 111. For more information about the Placement Policy, please contact the Admissions Office.

Student Success Lab

Students who are judged by Admissions and faculty to need additional academic assistance may be required to enroll in HF 094 Student Success Lab.

Canadian Students from Alberta

Admission to Prairie programs requires a high school diploma or equivalent with a minimum of a 60% average in the following Alberta high school courses: English 30/33, Social Studies 30/33, and a 30/33-level Science, Math, or foreign language course (if taken).

Canadian Students from Other Provinces

In most Canadian provinces, a grade 12 diploma is equivalent to the Alberta Secondary School Diploma. The exceptions are:

- Quebec: Successful completion of one year of CEGEP is required.
- Ontario: Old curriculum: Admission requires completion of the Ontario Secondary School Diploma at the grade 12 advanced level with a minimum 60% combined average in six grade 12 courses including English. Those students who have completed OAC courses may be eligible for transfer credit for certain courses.
New curriculum: Admission requires completion of the Ontario Secondary School Diploma with a minimum 60% combined average in ENG4U “English” plus five other Grade 12 U or UC courses.

Students from the United States

Students graduating from Grade 12 in the United States of America are eligible to apply for admission to Prairie. Admission to Prairie programs requires a high school diploma or equivalent. A minimum of a “C” average is required. Although not required, students are encouraged to submit SAT or ACT scores to be considered for admission. Students in good standing at a college or university in the United States are also eligible to apply for admission and may receive transfer credits.

U.S. citizens studying in Canada are required to obtain a Study Permit. If you are a U.S. citizen, you do not need to apply at a Canadian Consulate; instead, you will obtain a Study Permit at the Canadian port of entry (border crossing or airport) when you enter. Be prepared to present:

- Your College acceptance letter;
- Immigration letter (sent to you upon acceptance);
- Passport;
- Proof of sufficient funds for one year (a bank cheque [not a personal cheque] or statement, Prairie account receipt, or a letter from your sponsor on official letterhead stationery). Immigration Canada charges \$150.00 (subject to change) for Student Authorization documents at the border.

U.S. students are often permitted by Canadian Immigration policies to work on or off our campus during their time of studies. If you (or your spouse) would like to seek employment on or off our campus during your stay at Prairie, you will need to notify the Canadian Immigration Officers at the border. Please make sure that when obtaining your Study Permit, you make mention of your desire to work on or off campus. Please note that international students must be enrolled in full-time studies (12 credits per semester) to be eligible to work on or off campus. If you have any questions concerning this process contact the Admissions Office at 1-800-661-2425.

International Students

If you are a citizen of a country other than the United States or Canada, you should begin the application process several months before the semester you plan to enroll. We suggest the following dates for application: before March 1 for the Fall Semester and before July 1 for the Winter Semester.

All international students are urged to carefully assess their ability to meet the requirements and to keep the following important things in mind:

Upon receipt of all application materials, the Admissions Committee will evaluate your application. An application for admission will not be considered complete until all required documents have been received (application, transcripts and references).

International students who do not have English as their first language must submit proof of English proficiency by completing the Test of English as a Foreign Language (TOEFL) with a minimum score of 213 on the computer-based test, 550 for the paper-based test, and 80 on the internet-based test, or the International English Language Testing Service (IELTS) exam with an overall band score of 6.5. Meeting these test scores does not guarantee admission to the College and additional testing may be required before admittance is granted.

International students are required to show proof to Canadian Immigration officials that funds are available to cover one year's fees (approximately \$17,000 Canadian, depending on your program). This can be made up of student financial assistance (see above), your own contribution(s), and/or the contributions of your family/friends/sponsors. Application should be made to the Canadian Embassy or Consulate in your home country for a Student Visa. Students must obtain a Student Visa prior to leaving their home country. You will be required to show the Student Visa documents and proof of funds at the point of entry into Canada and also upon arrival at Prairie.

All services listed in this Catalogue are available to international students on the same basis as for Canadian students. Tuition, student fees, program and course costs, room and board, and other fees listed in this Catalogue are the same for international students as they are for Canadian students.

Please consult our International Students Admissions Counselor if you have questions or need more information.

Home Schooled Students

Prairie welcomes applications from home-based schools. Applicants who are unable to provide provincially/state-examined senior course results must submit an academic profile for home-based learners, found at www.prairie.ed/forms. Home-based learners must be at least 17 years of age in September. Please contact the Admissions Office for additional details.

Letter of Permission (Visiting) Students

From time to time students who are currently enrolled at other post-secondary institutions express a desire to include Prairie College as a part of their post-secondary educational plans. These students would like their degree to come from their "home" institution but would like to take courses at Prairie to transfer back to their program. The following guidelines are applied to such students:

1. Letter of Permission students go through a simplified application for admission process. This consists of:
 - a. An application form;
 - b. Applicable application fees;
 - c. A letter of permission from the school to which credits are being transferred (includes the student's GPA, the courses they are permitted to take and a list of required prerequisites they have completed, if applicable);
 - d. A reference form to be filled out by a pastor or church leader. In the case of students who are currently enrolled at another Christian post-secondary institution this requirement may be waived.
2. Letter of Permission students are permitted to complete up to nine courses. If they desire to pursue further courses beyond these nine, the regular application process must be completed and the student must be formally admitted into a Prairie program.
3. Students may take a maximum of five courses per semester on a Letter of Permission. Students should be aware that they are not eligible to receive a degree or certificate from Prairie College unless they officially transfer.

Students are required to complete a transcript request form (available from the Registrar's Office) near the end of the semester in order to finalize the official transfer of grades to their "home institutions".

Mature Student Status

A limited number of mature students (aged 21 or older) may be allowed to enroll with less than the standard academic requirement. Individuals who do not meet the regular admission standards may be considered for mature student

admission based on an examination of their abilities, educational background, professional and ministry experience.

APPLICATION PROCEDURE

If you desire to make application to study at Prairie you must submit completed application forms to the Admissions Office. The application package can be found at prairie.edu/Apply-Now. Applicants are expected to complete all forms and follow all instructions given at this URL.

STUDENT FINANCES

Tuition and Fees

Prairie does everything it can to make the cost of attendance affordable. As an accredited, private, post-secondary college in Alberta, Prairie receives no direct funding from the government. Student fees make up a portion of our income but the remainder comes from thousands of gracious donors who believe so strongly in what Prairie's education accomplishes that they assist students by giving to the College.

Tuition - (\$295 per credit hour)

College Services - (\$57 per credit hour)*

Residence (double occupancy room) \$1,275 per semester

Refundable Residence Damage Deposit \$250**

Meal Plan \$1,820 (Fall)/\$1,850 (Winter) ***

*Includes student union, printing, fitness, intra-mural, technology, library, orientation, graduation, & spiritual formation fees.

**Damage deposits with no claims against them are returned at the end of the school year.

***Estimates for most programs.

Certain programs have additional fees. See individual program pages linked from <http://www.prairie.edu/programs> for a list.

Please Note: Fees are subject to change.

Tuition Deposit

For new students, a tuition deposit of \$250 is due by June 1 and is non-refundable after this date. Payment indicates the student's intention of attending Prairie and reserves a place at Prairie for the student in the Fall.

Payment of Fees

Students who have paid their tuition deposit may register for classes. New student registration begins in late June or early July for the Fall semester and October for the Winter Semester. (Registration consists of selecting courses.)

Please pay for your schooling in full at the start of each semester. Students who have an owing amount on their accounts will have a finance charge of 1.5% per month (18% per annum) applied to their accounts.

Any changes to credit load, residence status, meal plan, and fees may alter the owing balance on your student account.

Prairie accepts cash, cheque, Interac/debit cards, Visa, MasterCard, online banking system, and electronic/wire transfer as forms of payment. Please contact Student Financial Services for details.

Unpaid Balances

Students who have unpaid balances at the end of any semester will not be permitted to begin the next semester unless special arrangements have been made with Student Financial Services. Students with unpaid balances will not

receive transcripts or graduation documents before the outstanding amount is paid.

Late Arrival

New students are not allowed to arrive after the start date for the semester.

Early Arrival

Students may not live in the residences more than one day prior to the beginning of a semester without first receiving permission from a Director of Student Development. A daily fee of \$35 is charged for those who arrive more than one day before Registration Day. Students from other countries should consult Admissions.

Withdrawals

Students who withdraw or are dismissed from Prairie after completing registration will be granted refunds as outlined below.

Tuition Fee Refunds

Semester long and Term courses: Please refer to the Academic Guide and Add/Drop Dates on our website at:

<http://www.prairie.edu/registrar>

Practical Nursing Bow Valley College courses: There will be no tuition refund for Bow Valley College courses after September 15th as per BVC policy. All PC course refunds will follow the refund policies above.

International students: Where an international student's tuition fees or any portions thereof, are to be refunded in accordance with Prairie's refund policy, they are refunded to the student if the student paid the whole of the fees. If other individuals or organizations paid part of the fees, the refund is divided among the student and the other individuals and organizations in proportion to the percentage of the fees paid by each.

Room and Board Refunds

Room and board refunds are calculated on a daily pro-rated basis. If you do not follow the proper withdrawal procedure, an additional fee may be levied.

Calculation of your refund depends upon the date that SFS receives your properly completed and signed withdrawal form.

Medical Coverage

You must have medical insurance coverage while you are studying at Prairie. Make sure you bring your provincial health care card with you. (Students from other Canadian provinces are not required to apply for Alberta Health Insurance unless moving permanently to Alberta).

All international students are required to have health insurance. If your Student Permit/Visa is valid for more than one calendar year, you will qualify for free health insurance through Alberta Health. If your Student Permit/Visa is valid for less than one calendar year, you will need to purchase travel insurance.

Both Alberta Health Insurance and travel insurance are available at Adam B. Young Insurance, 416 Main St., Three Hills.

FINANCIAL ASSISTANCE AND SCHOLARSHIPS

Employment Opportunities

In addition to employment opportunities in the Three Hills community, Prairie offers a limited number of jobs and leadership positions. Most of these range from 5-15 hours per week and some pay an hourly wage while others are Campus Leader Bursary positions (see below).

Spousal Discount

Married couples who have both spouses enrolled in courses may qualify for the Spousal Discount. If one spouse is enrolled as a full-time student (12 or more credit hours), the other spouse may receive 50% off tuition fees. If both are enrolled full-time, the spouse enrolled for the lesser number of credit hours receives the discount. Audited courses are not covered.

Sibling Discount

Families who have more than one family member enrolled as full-time students (12 or more credit hours) at Prairie College may qualify for the Sibling Discount. The first two family members receive 10% off their tuition fees. Three or more students enrolled from the same household receive 20% off their tuition fees. All other fees are payable in full.

Student Loans

Student loan information is obtainable in the Financial Aid Information Package, which is available from the Student Financial Aid Office or on-line at <http://www.prairie.edu/finaid>. Applications for student loans usually require 6 - 8 weeks to process.

Aviation students should note that student loans are not available for a Private Pilot License.

Campus Leaders Bursary

Second, third and fourth year students may be eligible for the Campus Leaders Bursary Program (CLB), which provides a bursary that equates to free dorm accommodation (double-occupancy) For more information, please visit <http://www.prairie.edu/clb>.

Scholarships

Prairie awards more than \$300,000 in financial aid to students each year. Scholarships are awarded in amounts varying from \$200 to \$2,000. The total amount of Prairie Financial Aid awarded cannot exceed the student's tuition fees.

For more information, including a list of scholarships, see <http://www.prairie.edu/file/finaid/infopackage.pdf>.

Partners

Prairie is pleased to partner with Bow Valley College and Olds College so that graduates of their 2-year vocational programs can benefit from a seamless transition to the Marketplace Ministry degree.

Standards for Admission and Completion

- Students must meet Prairie’s academic standards for admission.
- Students must furnish proof of graduation from a vocational major program at sending institution.
- Students may take the two years of major courses at any time – before beginning this degree, between the two years at Prairie, or after those two years.
- A grade of C- or higher is required in each course transferred.
- Students may transfer additional courses that apply to the program, provided they meet the residence requirement.

For updated information on this program please visit our program page at <http://www.prairie.edu/programs>.

DIPLOMA IN INTERCULTURAL STUDIES

A Two Year Program (60 Credits)

Program Coordinator: Emma Karin Emgård

Provides a theoretical understanding of intercultural ministry combined with a nine-months learning experience abroad.

In the first year the student is enrolled in either Discover or Encounter; the second year is the GlobeTREK year (see the Bachelor of Arts in Intercultural Studies page for more information about GlobeTREK).

American students should note that the two-year Diploma is comparable to a U.S. Associate of Arts degree.

Since students require a year of preparation on Prairie campus before the GlobeTREK year, only a limited number of credits can be transferred into this program.

Entrance requirements

Admission to this program requires completion of a professional post-secondary diploma at least two years in length or three years of full-time ministry experience. During the first year there is an extensive application and interview process for acceptance to the GlobeTREK year.

Program Requirements

All courses are three credits unless shown otherwise.

ASSOCIATE OF ARTS IN MISSION AVIATION

A Two Year Program

Program Coordinator: Calvin Hildebrandt

Provides students interested in missionary aviation with the first level of aviation skills and experience, combined with Bible training. Students

- Achieve a Commercial Pilot License and single engine instrument rating. (Options for multi-engine, multi instrument, or Instructor's rating.)
- Complete 225 hours (minimum) of professional flight training in tail wheel, tricycle and complex aircraft.

Further flight experience will be required before being accepted to the mission field.

Prairie operates the following aircraft:

- 3 Cessna 172's

The most popular training aircraft built.

- 2 Citabrias (7ECA and 7GCBC)

These conventional gear (tail dragger) airplanes are great basic trainers, also used for Emergency Maneuvers Training.

- 1 Piper Seneca II PA34 200T - Twin Engine

A complex 6 passenger aircraft used in multi-engine and multi-engine instrument training. New avionics being installed.

- 1 Cessna 182RG

Complex training aircraft used for Mountain flying and instrument training.

We own and use a Redbird Flight Simulator - full motion flight simulator used for procedures training and instrument flight training.

SUPPLEMENTAL ADMISSION POLICY

To be admitted to this program, students must:

- Complete the PC application for Admission.
- Submit a one-page essay explaining why they want to obtain an AAMA at Prairie College.
- Show financial ability to complete the program (separate financial worksheet).
- Achieve a minimum 2.7 cum gpa in at least 12 credits of non-AV courses before beginning their first AV course.
- Transfer students must achieve an equivalent combined cum gpa of 2.7 on a minimum total of 12 credits of transferred courses and PC non-AV courses.
- It is strongly recommended that students get a Transport Canada medical certificate (Category I) before enrolling.

Students who do not meet the requirements for unconditional admission may appeal to the Director of the Aviation Department.

AAMA Program Cost

A complete Aviation Financial Worksheet is available at www.prairie.edu/forms.

In order to begin the flight portion of the program students must deposit \$5,000 into their designated aviation student account. In addition, students are expected to maintain a positive balance in this account throughout their training.

Failure to do this may disqualify students from maintaining active flight status.

All courses are three credits unless shown otherwise.

DIPLOMA IN MINISTRY/PRACTICAL NURSE

A Two Year Program (61 Credits)

Program Coordinator: Kim Hogarth

This Diploma provides foundational training in Bible and theology combined with the Practical Nursing program offered through Bow Valley College (BVC). All courses are taught on Prairie College's campus in Three Hills. The Diploma in Ministry is awarded by Prairie College; the PN credential is awarded by BVC.

Facilities include two full clinical labs. Within our lab area there are 16 beds set up to simulate an acute care hospital setting. Students are able to practice skills using manikins for various skills and procedures including catheterization, tracheostomy care, wound care, nasogastric tubes and many more. We use IV pumps, tube feeding pumps, as well as suction for students to have hands on experience with equipment that they will use while in clinical or when they graduate. Students will practice injection skills on injection pads and when learning to initiate an intravenous we practice on our IV arm that simulates veins so that students are able to practice and learn hands-on.

All courses are three credits unless shown otherwise.

2 credits

In this module, Class C Airspace is introduced along with the usage of radio navigation equipment and autopilot.

Short/soft/rough airstrip and pilotage skills will continue to be developed.

Prerequisite: AV 123 Flight Practicum: Private Pilot License

AV 131

FLIGHT PRACTICUM: TYPE CONVERSION

2 credits

Transitions pilot to another aircraft type: from tricycle gear to conventional (tailwheel) gear, or from conventional

to tricycle. Low-level navigational skills will be developed along with the building of solo cross-country time.
Prerequisite: AV 130 Flight Practicum: Initial Time and Experience

AV 132

FLIGHT PRACTICUM: COMPLEX

.5 credits

Pilot will experience a higher speed aircraft and learn proper procedures for operating a constant speed propeller and retractable landing gear.

Prerequisite: AV 131 Flight Practicum: Type Conversion

AV 133

FLIGHT PRACTICUM: MOUNTAIN

1 credit

Develops advanced flying skills including mountain navigation, unimproved airstrips, ridge crossings, canyon turns, downdraft/updraft and turbulence issues as well as visual illusions associated with mountain flying.

Prerequisite: AV 132 Flight Practicum: Complex

AV 201

IFR GROUND SCHOOL

3 credits

Prepares the pilot for the Transport Canada Instrument Flight Rules (IFR) written exam.

Prerequisite: AV 100 Private Pilot Ground School

Recommended: AV 207 Aircraft Systems for Pilots and AV 208 Commercial Pilot Ground School

AV 207

AIRCRAFT SYSTEMS FOR PILOTS

3 credits

Covers half of the Transport Canada academic requirements for the Canadian Commercial Pilot License. Topics include airframe, powerplant, and other aircraft systems.

Prerequisite: AV 100 Private Pilot Ground School

AV 208

COMMERCIAL PILOT GROUND SCHOOL

3 credits

Covers half of the Transport Canada academic requirements for the Canadian Commercial Pilot License. Topics include advanced meteorology, navigation, and theory of flight required for the Transport Canada commercial pilot written exam. Emphasis on the problem-solving and decision-making skills required of a commercial pilot.

Prerequisite: AV 100 Private Pilot Ground School

AV 230

FLIGHT PRACTICUM: NIGHT

1 credit

Focuses on the completion of Transport Canada's night rating requirements. It also emphasizes instrument navigation, human factors, and instrument flying.

Prerequisite: AV 123 Flight Practicum: Private Pilot License

AV 231

FLIGHT PRACTICUM: CPL FLIGHT TEST PREPARATION

1 credit

Teaches the maneuvers specific to the Commercial Flight test (Precision 180 and Commercial Steep Turn) and brings all other exercises to a Transport Canada Commercial Standard.

Prerequisite: AV 230 Flight Practicum: Night

AV 233

FLIGHT PRACTICUM: SINGLE INSTRUMENT FLIGHT RATING

2 credits

Focuses on the completion of the Transport Canada Instrument Rating. Pilots will be exposed to practical scenarios seen in the aviation industry.

Prerequisite: AV 123 Flight Practicum: Private Pilot Licence

AV 234

FLIGHT PRACTICUM: EMERGENCY MANOEUVRES TRAINING

0.5 credits

Explores the operational envelope of the aircraft and energy management of the aircraft through basic aerobatic maneuvers.

Prerequisite: AV 231 Flight Practicum: Commercial Flight Test Preparation

AV 235

FLIGHT PRACTICUM: MULTI IFR

1 credit

Group 1 multiengine IFR training. Concludes with successful completion of Group 1 IFR flight test.

Prerequisite: AV 237 Flight Practicum: Advanced Time and Experience

Note: Offered as resources are available and when there is sufficient demand.

AV 236

FLIGHT PRACTICUM: MULTI-ENGINE

2 credits

Flight training in multiengine aircraft. Concludes with successful completion of multiengine flight test.

Prerequisite: AV 237 Flight Practicum: Advanced Time and Experience

AV 237

FLIGHT PRACTICUM: ADVANCED TIME AND EXPERIENCE

3 credits

Exposes students to the standards of the “commercial world” including accelerated flight planning, GPS and navigational aid usage, cargo and passenger loading, and more. These flights will build solo flight time towards the requirements for the Commercial License.

Prerequisite: AV 231 Flight Practicum: Commercial Flight Test Preparation

AV 312

FLIGHT INSTRUCTOR GROUND SCHOOL

3 credits

Covers the Transport Canada academic requirements for a commercial pilot seeking to become a flight instructor or a flight instructor wishing to renew an expired flight instructor rating.

Prerequisite: Transport Canada Commercial Pilot Written exam completed (CPAER) and CPL Flight Test passed.

Note: Offered as resources are available and when there is sufficient demand.

AV 333

FLIGHT PRACTICUM: INSTRUCTOR

3 credits

You will complete a minimum of 30 hours of flight training required for the class 4 instructor rating.

Prerequisite: AV 231 Commercial Flight Test Preparation, Transport Canada CPL held, and AV 312 Flight Instructor Ground School

AV 340

AVIATION MAINTENANCE INTERNSHIP

CHURCH AND MINISTRY (CM)

CM 160

CROSS-CULTURAL PRACTICUM

3 credits

This practicum provides the student with a few weeks of practice in ministry for the purpose of integrating classroom input with experience in a cross-cultural setting. The practicum experience provides an overview of various forms of ministry in a number of facets of mission organizations but the primary focus is on the student as a disciple in development. We will focus on ministry based on the presence of God and our presence in a cross-cultural setting.

Note: available only to Discover students on the field.

CM 250

INTRODUCTION TO COUNSELING

3 credits

Provides an introduction to the theoretical and practical foundation of interpersonal helping skills in the context of Christian ministry. Through active involvement the student will experience the basic process of helping others identify personal problems, set goals and move forward in their lives. Students will learn to recognize their role and what they bring into the helping relationship as a “skilled helper”.

Prerequisite: SS 210 Introduction to Psychology

Note: This or equivalent course available through Distance Education.

CM 269

CAMP PRACTICUM

3 or 4 credits

Provides instruction and experience under the direct supervision and training of a qualified, experienced camp leader. Responsibilities will vary according to the needs of the camp and the abilities of the student. The practicum should allow the student to make a valuable contribution to the camp while allowing for an introduction to the various aspects (program, maintenance, kitchen, administration, etc.) of camp ministry.

CM 290/390/490

DIRECTED STUDY

2 or 3 credits

Guided independent study in which students design and carry out research or a project of their own choosing. Requirements will be set in accordance with the nature of the research or project which must be approved by a faculty supervisor, the Dean and the Registrar.

Prerequisite: Consent of Supervisor, cumulative g.p.a. of at least 2.3, not on Academic Probation.

CM 365-66

CROSS-CULTURAL INTERNSHIP

12 credits

The GlobeTREK internship is a 9-month immersion in other cultures, engaging in a number of formal and informal learning activities. For three months, students travel as a team and visit numerous different ministries, agencies and nations. For 6 months in the middle of the journey the student is involved in a ministry of their choice in a nation of their choice—for example, teaching ESL, working with orphans, teaching in a village school, teaching computer skills at a local radio station, working with local or international youth or children in a church, or working in a refugee camp are some of the possibilities. Expatriate mentors (preferably Canadians) and local supervisors will guide the student in their learning and practical experiences.

Note: available only on the field during the GlobeTrek year in BAIS.

CM 367

CROSS-CULTURAL PRACTICUM

3 credits

Develops and exercises vocational skills as part of a team ministering in another county.

CM 368

DIGITAL MEDIA PRACTICUM

3 credits

The Digital Media Practicum is a capstone experience that allows students to integrate what they have learned throughout the program in a culminating experience. By default, this practicum is on Prairie's campus, though students may wish to pursue the International Practicum. In this case, Prairie has partnered with Christian Organizations that intentionally use digital media in powerful ways to allow 2nd year students the opportunity to use their gifts and abilities where it is needed most.

CM 370-73

OUTDOOR LEADERSHIP INTERNSHIP I-IV

12 credits

Experiential learning is a major component of Christian ministry training at Prairie College. Students apply to become interns in the Explore Program and, if chosen, work with the directors of Explore to help facilitate the program.

CM 385

INTERNATIONAL DIGITAL MEDIA PRACTICUM

3 credits

A capstone experience that allows students to integrate what they have learned throughout the program in a culminating international practicum. Done on the field with a Christian organization that intentionally uses digital media.

CM 386-87

SOCIAL JUSTICE INTERNSHIP

12 credits

TBD

CM 464

PASTORAL MINISTRY INTERNSHIP

12 credits

In consultation with the Pastoral coordinator, Dean's office and partnering churches, students will be placed in intentional ministry settings culminating their field training. Pastoral internships may be crafted to suit desired objectives (e.g. chaplaincy, pastoral leadership or parachurch ministry). Internships generally run 8-12 months in length.

CM 468

YOUTH MINISTRY INTERNSHIP

12 credits

Experiential learning is a major component of Christian ministry training at Prairie College. Students work with the Dean's office to arrange an Internship with a cooperating Christian Ministry related to their field of study. Interns are supervised by a faculty member and a field supervisor as they complete the requirements of their designed Learning Contract.

DM 144

FUNDAMENTALS OF PHOTOSHOP

1.5 credits

A basic introduction to the wide variety of tools and applications of Adobe Photoshop & Adobe Bridge software. Students will learn part of what Photoshop is capable of doing and best practices in using it as a largely non-destructive editor. They will be exposed not only to the individual tools, but also to ways they can be used in combination and how to choose the best tools for each task. At the conclusion of the course, students should be versed in basic retouching and have some experience in creating more complex compositions. They should have at least two projects as part of their portfolio at the end of this course, and will have learned about the tools and resources available for ongoing learning. Lab times allow one-one coaching, instruction and problem-solving.

DM 145

FUNDAMENTALS OF PHOTOGRAPHY

1.5 credits

Fundamentals of Photography is a fast paced course introducing the basics of the craft, techniques, and concepts of photography. It is designed to make photography straightforward and easy to understand.

DM 177

PORTFOLIO 1

1 credit

DM 225

DIGITAL DESIGN AND PUBLISHING

3 credits

Further examines Adobe Creative Cloud (Adobe CC) applications within a practical, real-world setting. Students will be presented with a client project and will work as a group to complete the client's stated objectives accurately and within the project parameters and timelines.

DM 226

INTRODUCTION TO DESIGN TOOLS

3 credits

Introduction to Design Tools examines the current tools used in the process of print and web design. Students will be introduced to the applications used in the Adobe Creative Cloud (Adobe CC) workflow in print design and web design, and demonstrate helpful ways for file management and design workflow.

DM 234

ADVANCED FILMMAKING & PREMIERE

4 credits

Provides a basic skill set whereby students can produce video projects for not-for-profit and mission-based organizations. Topics covered include pre-production, production, post-production, gear use, software use (Premiere), and formats for projects so that the students will have a working knowledge sufficient to produce small scale, doc-style projects. Reviews the elements of DM 134 and covers more advanced techniques for moving cameras and post- production. Students should have at least two projects as part of their portfolio at the end of this course.

DM 244

ADVANCED PHOTOSHOP

1 credit

TBD

DM 245

ADVANCED PHOTOGRAPHY

3 credits

Advanced Photography picks up where Fundamentals of Photography left off. It provides an advanced use of software applications, how to work in a studio environment with various types of lighting, and prepares students to master the controls of camera functions and strobe lighting.

Note: Not for credit on any academic program.

HF 094

STUDENT SUCCESS LAB

1 credit

This lab focuses on the basic elements of writing intelligent and compelling essays and trains the student to read critically. In addition, it will assist the student in different areas of academic life to improve his/her academic standing. This course is treated as a workshop where the work is done in class and special attention is given to each individual student to prepare them for further college education.

Note: Not for credit on any academic program.

HF 110

WRITTEN COMPOSITION

3 credits

This course focuses on the mechanics of writing college level essays/papers. Students will be introduced to strategies for developing an essay, enhancing your writing skills, appropriate research procedures including using a library effectively, essay formatting, and documentation.

HF 111

THINKING AND WRITING

3 credits

Thinking and Writing uses a focus on critical examination of the many views opposing the Christian faith to teach the skills of research, argumentation, and writing. The student critically engages with various perspectives he is likely to encounter in the workplace. A variety of writing exercises develops his ability to address opposing positions through appropriate research, analysis of resources, and proper and prayerful argumentation.

Note: This or equivalent course available through Distance Education.

HF 151

HOW MUSIC WORKS

3 credits

Introduction to the foundations of the language of music based on the three aspects: melody, harmony, and rhythm. This is an intensive overview of the basics of reading and writing music setting a foundation for writing songs, music charts and for self-publishing music via computer software.

HF 221

FIELD LANGUAGE I

3 credits

An on-the-field introduction to a language.

Prerequisite: HF 111 *Thinking and Writing*

Note: available only on the field during the GlobeTrek year in BAIS.

HF 231

HISTORY OF WESTERN CIVILIZATION I

3 credits

Examines events and themes which make up the early history of what is known as 'western civilization'. The chronological range extends from the earliest known civilizations of the Near East through the end of the medieval period (15th century) in Europe. Although related historical events in other parts of the globe will be used as reference points, the primary stage will be the regions of the Mediterranean basin and the wider European subcontinent. The course focuses on the formative roles of key events, people, and ideas.

Prerequisite: HF 111 *Thinking and Writing*

Note: This or equivalent course available through Distance Education.

HF 232

HISTORY OF WESTERN CIVILIZATION II

3 credits

Covers the development of the modern period in the West. While using political/military events as the primary chronological reference points, the course also explores a variety of themes which shaped the modern age. These themes include religious/philosophical ideas, especially as they are expressed in art, architecture, music and literature; developments in the fields of science and commerce; and social structures/attitudes. In addition to the study of these developments, the course will also give students a first-hand introduction to research/interpretation practices essential to the craft and academic discipline of history.

Prerequisite: HF 111 *Thinking and Writing*

Note: This or equivalent course available through Distance Education.

HF 242

SURVEY OF WESTERN PHILOSOPHY

3 credits

A survey of the major historical and thematic contours in western philosophy from a Christian perspective. The first half of the course focuses on the major historical milestones in the history of western philosophy beginning with the pre-Socratics and continuing with philosophers from classical antiquity, the medieval period, the enlightenment, and modernity. In the second half, the focus shifts to the major thematic emphases in contemporary philosophy. Throughout the course, particular attention will be paid to relationships between Christianity and the philosophical themes under consideration.

Prerequisite: HF 111 *Thinking and Writing*

HF 290/390/490

DIRECTED STUDY

2 or 3 credits

Guided independent study in which students design and carry out research or a project of their own choosing.

Requirements will be set in accordance with the nature of the research or project, which must be approved by a faculty supervisor, the Dean, and the Registrar.

Prerequisite: Consent of supervisor, cumulative g.p.a. of at least 2.3, not on Academic Probation.

HF 321

HF 334

HISTORY OF CHRISTIANITY IN THE ANCIENT AND MEDIEVAL WORLD

3 credits

Covers the history of the church from the first century A.D. through the later medieval period. Explains key doctrinal, cultural and missionary developments in both the western and eastern churches. Students also receive an introduction to basic issues in the craft of historiography, with the goal of developing an understanding of how the discipline of history relates to the Christian faith.

Prerequisite: HF 231 History of Western Civilization I or HF 232 History of Western Civilization II

HF 335

HISTORY OF CHRISTIANITY IN THE MODERN WORLD

3 credits

Delves into the history of the church, primarily in its western expression, from the reformations of the sixteenth century to the beginning of the twenty-first century. A primary theme is Christianity as a missionary faith which moved across cultures and adapted to different settings, while at the same time transforming the cultures into which it moved. A second theme is that of stagnation and renewal within a range of institutional church settings. Although theological developments are covered, a greater emphasis is placed on the people and their practices which defined church life and Christian cultural engagement.

Prerequisite: HF 231 History of Western Civilization I or HF 232 History of Western Civilization II

HF 336

EXPERIENCING HISTORY AND CULTIVATING HISTORICAL CONSCIOUSNESS

3 credits

INTERCULTURAL STUDIES (IS)

IS 140

WORLD RELIGIONS

3 credits

In order to be an effective witness for Christ today a student needs to have a basic understanding of the beliefs/doctrines and practices of the major world religions. After this survey of the ideas, philosophy, doctrine, and major practices of the main religions we will also discuss how our Gospel witness can be/should be contextualized to people from a particular world religion. We will not include Christianity or Judaism in our study. Includes visits to places of worship in Calgary. Additional fee: \$50 (field trip)

Note: 1) This or equivalent course available through Distance Education; 2) Listed in ACAT Guide.

IS 151

PREPARATION FOR INTERCULTURAL MINISTRY

1 credit

This course will prepare you to understand and appreciate people from other cultures, be that your coworkers, patients, or patient's family. It will also help you be more effective if you go on a short-term mission trip. Knowing about the other person's culture, how your actions are interpreted by them, and how you will react to their culture will make you a more effective worker. It will also make your interactions easier and more enjoyable for both you and the other person. We will touch on all the major topics of cultural differences – time/event, individualism/collectivism, power distance, uncertainty avoidance, femininity/masculinity, shame/guilt. The emphasis is on applied knowledge but we will include some theoretical foundations.

IS 251

CROSS-CULTURAL COMMUNICATION

3 credits

This course deals with foundational principles for communication between people from different cultures. Students learn to be aware of the influence of thinking processes, worldviews, verbal and non-verbal behaviours. Also covers aspects of anxiety and uncertainty that everyone faces when communicating with someone from a different culture.

Note: This or equivalent course available through Distance Education.

IS 257

INTERCULTURAL COMPETENCE

3 credits

This course will help equip students for successfully entering and living within a culture other than their own. It will be organized around the themes of "Know, Be, and Do", what needs to be known or understood, what kind of person succeeds, and what skills are necessary to live and minister well in another culture. Requires active engagement in learning outside the classroom in order to contribute to the learning experience in the classroom. Includes Lab for some students.

Note: Requires permission of instructor.

IS 259

GLOBETREK PREPARATION SEMINAR

0 credits

Following on from learning experiences in the Discover year, this course helps prepare students for their Globetrek year.

IS 290/390/490

DIRECTED STUDY

2 or 3 credits

Guided independent study in which students design and carry out research or a project of their own choosing.

Requirements will be set in accordance with the nature of the research or project, which must be approved by a faculty supervisor, the Dean, and the Registrar.

Prerequisite: Consent of supervisor, cumulative g.p.a. of at least 2.3, not on Academic Probation.

IS 377

CROSS-CULTURAL PRINCIPLES AND PRAXIS

3 credits

In a seminar format we will wrestle together with belief as it is actually lived out by unreached peoples, not just the textbook answers of what they believe. While we will focus on the Islamic world, principles will be transferrable to whatever context the student is in. Application of knowledge will always be in view as this course is not meant to simply be theoretical but equipping for ministry.

Note: available only on the field during the GlobeTrek year in BAIS.

IS 473

TOPICS IN GLOBAL STUDIES

3 credits

Current hot topics in the area of missions are discussed as preparation for the student entering and working in cross-cultural settings. This is the capstone course for the IS students and their interests will be taken into consideration when choosing the topics.

MUSIC (MU)

MU 155-57, 255-57, 355-57

MUSIC LESSONS – Voice, Piano, Strings

1-3 credits

Private lessons are taught weekly on a one-to-one basis. Subject material is chosen by the instructor from a range of styles and genres to meet the needs of each student while fulfilling the guidelines set out by each respective area. Prerequisite: One 300 level NT course.

OUTDOOR LEADERSHIP (OL)

Note: Many of the OL courses are offered only to OL students at Frontier Lodge, Alberta. OL courses that qualify as electives on the BAM/OL are offered on demand.

OL 104

INTRODUCTION TO EXPERIENTIAL EDUCATION

1.5 credits

This class is an introduction to the skills, knowledge and principles necessary to understand and use the experiential education method effectively. Students will experience the model throughout their time in the Explore Program, but concentrated time is set aside to learn about how the student can facilitate experiences towards the learner’s growth and development. A three-day seminar, paired with a practicum opportunity will form the main means of curriculum delivery and application. The experience and practice of the concepts from this class, however, are found throughout the entirety of the program.

OL 116

WILDERNESS ADVANCED FIRST AID

1.5 credits

TBD

OL 134

OUTDOOR LEADERSHIP

1.5 credits

This class serves to provide students, both in theory and practice, with a framework for understanding leadership. In particular, this class hopes to provide students the knowledge necessary to successfully lead or follow well in the Outdoor context. This class will present the transactional and transformational model of leadership to students as a framework for understanding how leadership works from the perspective of leader, follower or from an undefined role. The class addresses but moves past leader/follower functions to examine how “leadership” can come from anywhere, given a proper understanding and application of power, authority and influence.

OL 151

INTRODUCTION TO OUTDOOR PROGRAMMING

1.5 credits

Provides foundations and skills in the area of planning and implementing experiences within the context of outdoor ministry. Students will be exposed to significant philosophical and ethical foundations for experiential education. Emphasizes the preparedness of the teacher in the areas of character and readiness. Includes extensive experiential education as well as time for reflection. Students will lead and teach in varied situations and settings, including planning and implementing an entire camp retreat.

OL 211

WEA OUTDOOR LEADERSHIP CERTIFICATION

3 credits

This course will cover the WEA's six Competency curriculum, while also implementing a ministry- focused competency in spiritual development and ministry. The majority of the content is taught "in the field". We will seek to partner the tools and perspective gained from the WEA curriculum with our own emphasis on godly living and character development to prepare you for responsible Kingdom leadership in both the field and daily life. This course involves a 14-21 day backcountry expedition.

OL 213

SWIFTWATER RESCUE

3 credits

This course is designed in three phases. The first phase gives students hands-on, industry standard training in swift-water rescue techniques. The second phase shows how to teach others about river safety. The third phase gives students evaluated facilitating and teaching experience. By the end of the course, the student will have been trained, will have learned how to create effective lesson plans, and will have experience in lesson plan delivery and group facilitation.

OL 214

ACA KAYAK INSTRUCTOR

3 credits

Emphasizes proper kayaking technique and also focuses on the importance of teaching kayaking. By the end of the course the student may receive an official kayak instructor certification from the ACA (American Canoe Association).

OL 215

WILDERNESS COMPETENCIES

3 credits

This course provides the participants with a range of instructional experiences in order to prepare them to effectively minister through adventure. Instructional experiences include canoe instruction, swift water rescue, swift water instruction opportunities, adventure race planning and management, and orienteering training. Instructional experiences will focus on equipping participants with basic skill sets and on translating adventure environments into ministry opportunities.

OL 217

WILDERNESS FIRST RESPONDER

3 credits

Training includes medical assessment, treatment, and evacuation inherent in guiding wilderness adventures. Special emphasis is placed on prevention of injuries, accident scene management, outdoor leadership, responsibility, and liability of a leader, wound management, and long-term management of trauma victims. Course is run in an 8-day, 10 hours per day modular format. Extensive fieldwork is involved.

Note: 1) Registration must be confirmed with Explore Directors; 2) Explore interns have placement seniority.

OL 219

AVALANCHE LEVEL 1, 2 OR 3

3 credits

Avalanche Level 1 is an introduction into avalanche safety, with an emphasis on understanding various types of snow conditions, rescuing avalanche victims and assessing the risk of avalanches in mountain terrain. Avalanche Levels 2 and 3 are to be developed.

OL 220

TELEMARK SKI INSTRUCTOR

3 credits

This course emphasizes good telemark ski technique, and then teaches students how to teach others. It will involve avalanche assessment and rescue training.

OL 222

AMGA TOP ROPE INSTRUCTOR

3 credits

This course utilizes the AMGA (American Mountain Guide Association) curriculum for setting up climbs, risk management, group management, and decision-making.

OL 223

ACCT CHALLENGE COURSE FACILITATOR

3 credits

This course is designed to give the student a deeper understanding of how to use the challenge course as a teaching tool. The course focuses on “teachable moments,” group dynamics and the management of safety concerns by providing practical, hands-on application of the principles being taught. This course is endorsed by the Association for Challenge Course Technology (ACCT).

OL 224

EXPEDITION AND OUTDOOR LEADERSHIP

3 credits

This course equips second year students with the necessary skills to lead responsibly in outdoor and expedition situations. Combines practical and theoretical knowledge and contains a high level of experiential education. The course culminates in a trip that will develop sound and defensible judgment practices. Meets professional wilderness industry standards, and emphasizes spiritual leadership and ministry preparation.

OL 231

RECREATION AND BUSINESS MANAGEMENT

3 credits

The focus of this course is on the philosophy of adventure business and management as it applies to developing and sustaining programs. Students are challenged to discover their personal ministry philosophy and values, and express them through the creation of a future business/ministry dream. This includes understanding how philosophy and values are key driving forces in all areas of business/ministry such as program development, use of staff and discerning ministry needs.

OL 248

TEACHING THROUGH ADVENTURE

3 credits

Emphasis is on theoretically and practically investigating the affected aspects and effective leadership of teaching/coaching in adventure and competitive environments. Includes developing a Christian philosophy of teaching in an adventure context along with designing an effective teaching environment.

Prerequisite: OL 151 Outdoor Programming

OL 290/390/490

DIRECTED STUDY

2 or 3 credits

Guided independent study in which students design and carry out research or a project of their own choosing.

Requirements will be set in accordance with the nature of the research or project, which must be approved by a faculty supervisor, the Dean, and the Registrar.

Prerequisite: Consent of supervisor, cumulative g.p.a. of at least 2.3, not on Academic Probation.

OL 312

PLANNING AND LEADING A TEAM TRIP

3 credits

The student will be responsible to work within a team to plan a team-focused backcountry trip. The student will develop a purpose and vision for the trip, and plan the trip according to the desired outcomes for the trip participants, with elements that will “create an environment” conducive to the planner’s hopes and goals.

OL 332

PHILOSOPHY OF GROUP FACILITATION

3 credits

The focus of this course is on understanding and applying biblical ethical principles for facilitating a group through a variety of wilderness experiences. Through theory and practice students will learn how to construct and utilize teachable moments, encourage processing of experiences, and manage group learning and development.

Prerequisite: OL 151 Outdoor Programming

Note: Offered every other spring.

OL 415

TEACHING OUTDOOR SKILLS

3 credits

This course is designed to help the BAM/OL student learn how to teach an outdoor skill in a manner that imparts knowledge of the skill while also creating an environment conducive to personal and spiritual growth. It helps students learn how to give and receive feedback, communicate with their co-instructors and evaluate the effectiveness of their teaching techniques.

OLD TESTAMENT (OT)

OT 112

READING THE TORAH

3 credits

A study of the first five books of the Bible, focusing on the historical, literary and theological features of these books as well as establishing a strong grounding in Torah principles as preparation for interpreting the rest of Scripture.

Addressing cultural and political backgrounds and geographical settings will help inform the text.

Note: This or equivalent course available through Distance Education.

OT 206

INTRODUCTION TO BIBLICAL HEBREW

A study of the books of Joshua, Judges, 1 & 2 Samuel, and 1 & 2 Kings in their cultural, historical, and literary setting. Brief interaction with Ruth and I & II Chronicles as they relate to the books associated with them. Focuses on interpretive and contextual issues, historical setting, cultural concerns, and their relevance in developing a strong biblical theology in today's world. Ultimately, the principles of worship expressed in these books and their implications for today's culture will be addressed.

Prerequisite: OT 112 Reading the Torah.

OT 243

READING THE PSALMS AND WISDOM LITERATURE

3 credits

A study of Psalms, Job, Proverbs and Ecclesiastes, focusing on historical, literary, and theological features of these books with special emphases on Hebrew poetry and ancient Near Eastern Wisdom literature. Class time will concentrate on critical and exegetical issues.

Prerequisite: OT 221 Reading the Historical Books

Note: This or equivalent course available through Distance Education.

OT 290/390/490

DIRECTED STUDY

2 or 3 credits

Guided independent study in which students design and carry out research or a project of their own choosing.

Requirements will be set in accordance with the nature of the research or project, which must be approved by a faculty supervisor, the Dean, and the Registrar.

Prerequisite: Consent of supervisor, cumulative g.p.a. of at least 2.3, not on Academic Probation.

OT 353

READING THE PROPHETS

3 credits

A study of the 17 writing Prophets (including Lamentations), focusing on the historical, literary, and theological features of these books. Class time will look at contemporary critical issues, the message as impacted by its physical setting and the perceived interpretations for various audiences. Ultimately, the principles of worship expressed in these books and their implications for today's culture will be addressed.

Prerequisite: OT 221 Reading the Historical Books

OT 3xx

OLD TESTAMENT ELECTIVES

3 credits

Various electives will be offered, focusing on books, methods, or genres.

OT 460

TOPICS IN OLD TESTAMENT

3 credits

Lectures on key topics within the Old Testament provide a framework for understanding its broader context. Students refine their understanding of a topic within Old Testament studies by researching and reporting on an area of interest.

Prerequisite: One 300 level OT course.

PASTORAL MINISTRY (PA)

PA 103

LEADERSHIP COACHING

3 credits

An orientation to personal coaching and gospel centered living in its relation to ministry. In-class and out-of-class practicum involves small group coaching networks and observation. Students will learn and be attentive to coaching as understood in the ministry life of Jesus.

PA 161

INTRODUCTION TO PASTORAL MINISTRY

3 credits

An introduction to the competencies that are essential for an effective pastoral ministry. Includes both academic and practical issues. The course is taught by fulltime pastors and establishes the foundations of Prairie's pastoral program.

PA 211

PASSIONATE PREACHING AND TEACHING

3 credits

An orientation to the art of Biblical preaching and teaching; students will become familiar with foundational elements of sermon construction. Learners will become skilled in their personal style and develop regular weekly messages that they will preach and teach in real life environments. Praxis will be on and off campus.

Note: This or equivalent course available through Distance Education.

PA 290/390/490

DIRECTED STUDY

2 or 3 credits

Guided independent study in which you design and carry out research or a project of your own choosing. Requirements will be set in accordance with the nature of the research or project, which must be approved by a faculty supervisor, the Dean and the Registrar.

Prerequisite: Consent of supervisor, cumulative g.p.a. of at least 2.3, not on Academic Probation.

PA 314

ADVANCED PREACHING

3 credits

A concentrated focus on the art and science of preaching. Students will explore the finer art of communication, technique and textual application in expository delivery.

Prerequisite: PA 211 Passionate Preaching and Teaching

PA 372

MISSIONAL LEADERSHIP

3 credits

This course focuses on a Biblical understanding and appreciation of God, as a missional God and the church as God's missional agent in the world. Explores the genesis and development of new initiatives as a substantial ministry in the life of a Christ follower. Students will have hands on training and study in the observation, development and rebirth of new missional initiatives. As well, students will formulate a personal missional philosophy for ministry. The pastoral core competencies of evangelism and leadership stem from this course.

PA 480

TOPICS IN PASTORAL MINISTRY

3 credits

As an overview of pastoral ministry in its various forms and functions, this course will examine current trends and issues as they relate to the pastorate. Students assist in the development of the course, as it addresses current problems and issues related to present and future pastoral ministry.

Prerequisite: PA 161 Introduction to Pastoral Ministry

SCIENCE (SC)

SC 140

HEALTH AND WELLNESS

3 credits

This class is designed to equip you with the skills and knowledge to understand personal health and wellness and then also to encourage or instruct others in that way. The explore section focuses on wilderness disciplines; the on-campus section uses the resources made available by the Alberta Fitness Leadership Certification Association (AFLCA).

Note: This or equivalent course available through Distance Education.

SC 142

WILDERNESS SURVIVAL

3 credits

Wilderness Survival seeks to provide the skills necessary to survive in a harsh outdoor environment. Students participate in a wilderness First Aid course taught by certified instructors and spend time living in a winter environment. They learn how to prepare as a group, and how to work with teams in wilderness survival situations. Topics include orienteering and search and rescue skills, as well as wilderness survival skills.

SJ 393

DIRECTED STUDY - FIELD CONTEXTUALIZED

This course will be directed by the student's on-field internship mentor in an area related to the mentor's specific skills and knowledge base. It is anticipated that this contextualized course will further the student's theoretical and practical understanding in the chosen field of study.

Note: available only on the field during the GlobeTrek year in BAIS.

SOCIAL SCIENCE (SS)

SS 150

INTERPERSONAL COMMUNICATION

3 credits

Introduces students to practical concepts of communication and challenges them to apply these concepts in the contexts of interpersonal and group communication.

SS 156

FUNDAMENTALS OF DESIGN

3 credits

Provides an overview of artistic layout, design, aesthetics, and marketing and integrates a Christian worldview and biblical principles. This course introduces fundamental design principles relating to colour, typography, grid layout, corporate branding and marketing, and Christian ethics in the design industry.

SS 170

CHRISTIANITY IN THE 21ST CENTURY WORLD

3 credits

What in the world is God doing today? God is a missionary god and we will begin with an overview of "mission" in the Bible, followed by an express train ride through history. Class focus will be on the world today. Our topics include but are not limited to church planting, global slavery, short term missions vs. long term, how we can engage in evangelization in Canada and across the world, tent-making, and contextualization.

SS 210

INTRODUCTION TO PSYCHOLOGY

3 credits

An introduction to the major psychological perspectives on human behaviour and cognitive processes including sensation, perception, learning, memory, cognition, human development, motivation, emotion, personality, health, disorders and therapy. Psychological principles are discussed in light of a Christian worldview and their contribution to a broader understanding of human behaviour.

Prerequisite: HF 111 Thinking and Writing

Note: This or equivalent course available through Distance Education.

SS 220

INTRODUCTION TO SOCIOLOGY

3 credits

Explores the scientific, interpretive, and critical orientations of sociology. The course examines and compares social processes and social institutions from the perspective of three main sociological paradigms integrating Biblical teaching. Global examples of inequality and injustice receive emphasis throughout the course.

Prerequisite: HF 111 Thinking and Writing

SS 224

MARRIAGE AND FAMILY LIFE

3 credits

A study of issues and topics of pre-marriage, marriage and family. The course presents an integration of Biblical and psychological principles for understanding marriage and family. A Biblical model for marriage and family structure will be developed. Social problems related to marriage and family life, their impact on society and specifically the church community will also be discussed.

Prerequisite: HF 111 Thinking and Writing

SS 261

LEADERSHIP FOUNDATIONS

3 credits

Introductory course that explores a theology and philosophy of leadership, surveys some of the primary tasks of leaders, and investigates formation of Christian leaders. Provides a foundational study to grow as a Christian influencer.

Prerequisite: HF 111 Thinking and Writing

Note: This or equivalent course available through Distance Education.

SS 264

LEADERSHIP AND POWER

3 credits

Within today's global culture, the power, influence and ethics demanded of an effective leader are important. Unfortunately, in most cultures it is apparent that the appropriate use of power and ethics may be more the exception than the rule. This course explores how leaders use power and influence including systems and institutions of injustice and violence and how the Bible speaks to leaders about doing justice, loving kindness, and walking humbly with God.

Prerequisites: SJ 101 Social Justice Foundations, SS 261 Leadership Foundations

SS 267

PROJECT MANAGEMENT

3 credits

This course will introduce the basic elements of project management with a focus on Project Cycle Management (PCM). This method as employed by many non-profit organizations and international development agencies works through the stages of project identification, design, appraisal, proposal preparation, and monitoring and evaluation.

Prerequisite: SJ 101 Social Justice Foundation

SS 273

CULTURAL ANTHROPOLOGY

3 credits

The course is an introductory overview of Cultural Anthropology – the study of human beings from a holistic perspective. We will study theory, insights, and methods used to understand people and their relationships in human cultures. We will learn to understand some basic rationale for different ways of life and how to apply general anthropological knowledge and skills to everyday life in Canada or overseas. The topics include the concept of culture, world view, social organization (kinship, economic, social groups, political, and religious/ideological organization), communication, life cycle, expressive culture, and change.

Prerequisite: HF 111 Thinking and Writing

Note: This or equivalent course available through Distance Education.

SS 290/390/490

Guided independent study in which students design and carry out research or a project of their own choosing.

Requirements will be set in accordance with the nature of the research or project, which must be approved by a faculty supervisor, the Dean, and the Registrar.

Prerequisite: Consent of supervisor, cumulative g.p.a. of at least 2.3, not on Academic Probation.

SS 311

LIFESPAN DEVELOPMENT

3 credits

A study of human development through the lifespan from conception to death, focusing on the physical, cognitive, social, moral and faith characteristics at each life stage. Particular emphasis will be placed on development from childhood through adolescence.

Prerequisite: SS 210 Introduction to Psychology

SS 314

SOCIAL PSYCHOLOGY

3 credits

Social psychologists are interested in the impact that social environment and group interactions have on attitudes and behaviors. This course explores the way in which feelings, thoughts, beliefs, and intentions are constructed and how these factors influence our decisions and interactions with others.

Prerequisite: SS 210 Introduction to Psychology

SS 336

FIELD ETHNOGRAPHY

3 credits

During the six months in one place, you will do participant observation, spontaneous short interviews, long interviews, life stories, and use any other ethnographic research method you choose. You will work on this throughout your time – always asking the question, “What is going on here?” The end result is an interesting narrative about living in the culture and learning to become an insider.

Prerequisite: SS 273 Cultural Anthropology

Note: available only on the field during the GlobeTrek year in BAIS.

SPORTS MANAGEMENT (SP)

SP 105-106

SPORTS MANAGEMENT PRACTICUM I

1.5 credits

Through this course you will attend a number of courses to gain certification applicable in different areas of sports management. You will then put these skills to use in supervised and evaluated assignments focusing on correction and improvement of skills and aptitudes.

SP 182

INTEGRATING FAITH AND SPORT

3 credits

Students develop appropriate grounding for the program students by actively and critically thinking about their participation in sport as a Christian. This begins with an in depth look at your own participation in sport, followed by a

look at what has been done by others. In particular, this look will examine sports ministry, how it was formed, what is happening today and how you can be a part of it.

SP 205-06

SPORTS MANAGEMENT PRACTICUM II

1.5 credits

Building on Practicum I, this course is designed to further develop the skills and certifications students have gained. It is important that these abilities are put into practice and that you gain experience to achieve a better understanding of those tasks as well as confidence and competence in the desired areas.

SP 231

FOUNDATIONS OF COACHING

SPIRITUAL THEOLOGY (ST)

ST 100

THE CHRISTIAN LIFE

3 credits

With the Bible as the textbook, course content explores Christian spiritual theology and practice, not as a formula or recipe, but rather as a transformational relationship with the triune God. Students are challenged to actively engage in the intentional and faithful pursuit of relationship with God, both inside and outside of the classroom, through biblically patterned spiritual exercises.

Note: This or equivalent course available through Distance Education.

ST 200

DISCIPLESHIP

3 credits

Grapples with the biblical call of Christ to live as His apprentice within culture and to make disciples of all peoples. Includes experiential education components as a challenge toward living in authentic discipleship. Through active participation, students learn what it means to be a disciple and how to evangelize and make disciples.

Prerequisite: ST 100 The Christian Life.

Note: This or equivalent course available through Distance Education.

ST 205-08

FREEDOM SESSION

3 credits

A Christ-centred biblically based 12-Step discipleship program that is purposed toward healing for individuals struggling with personal problems such as compulsive, addictive or unhealthy behaviours. Jesus offers healing and this course is intended to facilitate leading students to Christ in order to receive such healing.

Prerequisite: Requires interview with Director.

Note: this course may be substituted for ST 100

ST 300

WORSHIP AND PRAYER

3 credits

Aspires to deepen engagement with God through worship and prayer. Grapples with a biblical theology of worship and its applications to renewal of personal and corporate worship. Also investigates theological questions about prayer and

wrestles with the implications for life and ministry.

Prerequisite: ST 200 Discipleship

Note: This or equivalent course available through Distance Education.

THEOLOGY (TH)

TH 100

INTRODUCTION TO CHRISTIAN THEOLOGY

3 credits

An overview of the basic beliefs of the Christian community. This course will focus on the most central and widely agreed-upon elements of the faith across differences of time and culture. The approach used will privilege biblical and historical theology.

Note: This or equivalent course available through Distance Education.

TH 105

THEOLOGY IN VOCATION

3 credits

This course examines the overall narrative shape of the Scriptures, paying special attention to the ways several key persons experienced their work before God. Attention will also be given to understanding the structure of various biblical books as well as interpreting different genres. As well, a theology of care of persons will be developed in relation to medical issues, such as suffering, euthanasia and dementia.

TH 210

THE GOD OF THE GOSPEL

3 credits

A systematic orientation to the center of Christian theology – the life of the Triune God. This course will cover the doctrines of God, Trinity, Christ, the Holy Spirit, and Revelation. It will also consider questions of method, including the sources and norms of theology. The discipline of theology will be approached as a practice of the church, both local and global, carried out for the benefit of the church's life, its proclamation, and its service to the world.

Prerequisite: TH 100 Introduction to Christian Theology

Note: This or equivalent course available through Distance Education.

TH 211

CREATION TO NEW CREATION

3 credits

A systematic orientation to the work of God and the response of humanity. This course will cover the doctrines of Creation, Humanity, Sin, Salvation, the Church, Scripture, and Last Things. As in its companion course, the discipline of theology will be approached as a practice of the church, both local and global, carried out for the benefit of the church's life, its proclamation and its service to the world.

Prerequisite: TH 210 The God of the Gospel

Note: This or equivalent course available through Distance Education.

TH 290/390/490

DIRECTED STUDY

2 or 3 credits

A guided independent study which students design and carry out research or a project of their own choosing.

Requirements will be set in accordance with the nature of the research or project, which must be approved by a faculty supervisor, the Dean, and the Registrar.

Prerequisite: Consent of supervisor, cumulative g.p.a. of at least 2.3, not on Academic Probation.

TH 332

THEOLOGY OF MISSION

3 credits

This course will look at God's mission and the biblical foundation for doing mission—including the nature and purpose of God, mission in the Old and New Testament, the essential missionary task, and the instruments of mission. We will also examine a number of contemporary models/paradigms/theologies of mission.

Prerequisite: TH 100 Introduction to Christian Theology

Note: available only on the field during the GlobeTrek year in BAIS.

TH 343

HISTORY OF CHRISTIAN THOUGHT I

3 credits

A study of the development of Christian theology from the early Church through to the Reformation. The course traces the historical factors that have been significant in the formulation of Christian doctrine with a view to contemporary relevance.

Prerequisite: One 200 level TH course

Note: Offered in alternate years.

TH 344

HISTORY OF CHRISTIAN THOUGHT II

3 credits

A study of the development of Christian theology from the Reformation through to the present. The course traces the historical factors that have been significant in the formulation of Christian doctrines with a view to contemporary relevance.

Prerequisite: One 200 level TH course

Note: Offered in alternate years.

TH 354

APOLOGETICS

3 credits

Deepens and expands the introduction to apologetics given in HF 111 Thinking and Writing. Examines various methodologies as well as objections and issues students are likely to encounter. Students gain familiarity with the evidences for the factuality of Christianity and learn how to refute non-Christian systems of thought. They are encouraged to develop a more incarnational (life-style) apologetic.

Prerequisite: One 200 level TH course

Note: Offered in alternate years.

TH 455

THEOLOGY OF POVERTY AND SUFFERING

3 credits

The purpose of this course is to equip students with an ability to reflect biblically, theologically, culturally, and sociologically about the challenges of poverty and suffering in the world. The student will reflect on experiences from their recently completed internship in the ongoing development of God's mission and values in their lives.

Prerequisite: TH 332 Theology of Mission

TH 460

TOPICS IN THEOLOGY

3 credits

An opportunity to engage a variety of crucial and interesting topics in the field of Christian theology. This seminar-based

course may focus on either historical or contemporary topics at the discretion of the instructor. The focus of the course may be conceived in relation to the scholarly competence of the instructor, recent course offerings, or particularly prescient issues in the church and academy.

Prerequisite: One 300 level TH course, or TH 210 The God of the Gospel AND TH 211 Creation to New Creation

Note: This or equivalent course available through Distance Education.

WORSHIP ARTS

WA 103

THE WAY OF WORSHIP

3 credits

This class explores how we as humans are called into the way of worship. We will explore ancient practices that still shape worship expression today, along with emotionally healthy spirituality and biblical themes and metaphors that anchor our worship in grace and truth. This course is designed for those desiring to grow in their experience and understanding of worship, and those who sense a calling to service and leadership.

WA 120

INTRODUCTION TO SONGWRITING

1 credit

This course will introduce you to the basics of how songwriting works and will cover the primary building blocks of lyrics, melody, chord changes, and song structure. Each student will have a chance to try their hand at songwriting in a safe and instructive environment.

WA 121

SONGWRITING 1

3 credits

A thorough introduction to songwriting, this course explores the following questions: How does the process of writing a song actually work? Where does inspiration come from and how can we encourage creativity? What are the distinctions between writing for a church service and a community audience? What role does form and structure play in writing songs? Musicians and worship leaders who are not songwriting specialists will also benefit from this course as their understanding and enjoyment of different types of songs and themes grows, resulting in better song selection and appreciation of a variety of songs

WA 122

SONGWRITING 2

3 credits

This course is a continuation of Songwriting 1, building on a foundation of fundamentals for all aspects of songwriting. We will dig deeper into the art & skill of writing lyrics with depth and emotional punch. We will explore working with the words of Scripture in the songwriting process as well as continue to explore melodic development and chord progressions. Most importantly, we will listen to great songs from multiple genres and interact with students' songs with a goal of continual improvement.

WA 123

THE LANGUAGE OF MUSIC 1

1 credit

Introduction to the foundations of the language of music based on the three aspects: Melody, Harmony and Rhythm. This is an overview of the basics of reading and writing music, setting a foundation for writing songs, music charts and for self-publishing music via computer software.

WA 124

THE LANGUAGE OF MUSIC 2

1 credit

This course expands the language and resources for writing melodies, harmonies, and rhythm. We will learn a variety of scales, build a broad harmonic base and understanding (intervals and chords), and create a variety of rhythms and time signatures (i.e. compound and hybrid time). Students will begin to put the 3 elements together. Ear training and sight reading will be part of the daily class content and students will learn to transcribe what they hear.

WA 126

THE LANGUAGE OF MUSIC AND CHARTING

1 credit

Students will learn to create professional music charts using music manuscript and the Sibelius Music software. Basic foundations for writing arrangements of songs will also be introduced. This course will be more project-based as students will work on charting their own songs as well as others that will be given for assignments and exams giving them the opportunity to be self-publishers of their musical creations.

WA 127

LANGUAGE OF MUSIC AND WRITING

1 credit

This course focusses on applying the foundations of melody, harmony, and rhythm in creating and writing chord progressions, harmonies, instrumental parts, song transcriptions, and original songs. Students will learn to develop arranging and composing skills through writing and analysis. Transcriptions by ear will be part of the daily class time to prepare students for writing and publishing their own lead sheets and arrangement charts.

WA 210

MUSIC MINISTRY

3 credits

What makes music not just music . . . but music ministry? We will look at motives of the heart and the things that cause music to be ministry, worship, and service to others around us. We will learn to evaluate music for use in ministry and develop skills in utilizing music for worship services. This course is both subjective and culturally bound to a certain extent. But we will seek to explore, make observations and expand our experiences, purify our heart motives, and strengthen our understanding in order to utilize music as a gift of worship to God in the ministry of the church.

WA 221

SONGWRITING 3

3 credits

This course is a continuation of Songwriting 1 & 2 and is a project-based course. The focus of this course is the writing and preparation of songs for the student's EP. By the second half of the course, each student will be expected to present all the songs they feel are ready to be considered for their EP recording.

WA 224

ARRANGING SONGS

2 credits

This course will cover the concepts of arranging songs with regard to the essence of the song being creatively expressed through rhythm, harmony, and form. Practically, students will apply these concepts to writing lead sheet and charts for rhythm section with vocals (solo and parts) and/or featured instruments. The students will be using music software (Sibelius) to create arrangements for song assignments as well as their own songs.

WA 227

RECORDING AND PRODUCING

1 credit

This course introduces students to basic audio recording: including digital recording, tracking & editing. There is an

emphasis on critical listening and analysis, as well as discussion of music and musical form. We will also explore how to think critically about music from an artistic view as well as a Christian viewpoint.

YOUTH (YO)

YO 151

INTRODUCTION TO YOUTH MINISTRY

3 credits

An introduction to contemporary youth ministry. Students will examine youth culture, various models of youth ministry, the Biblical and theological foundations for reaching and disciplining today's youth as well as a short study on the history of youth ministry. The areas of programming, teaching, recruiting, volunteers, administration, developing relationships with students, and personal care in youth ministry will also be covered.

Note: This or equivalent course available through Distance Education.

YO 224

CREATIVE TEACHING METHODS

3 credits

This course examines the teaching methodology of Jesus in principles and practice for teachers of youth. The student will be introduced to several curriculum design processes that will help you become more effective teachers. We will explore several teaching methods that bring lessons to life with feeling and impact.

YO 290/390/490

DIRECTED STUDY

2 or 3 credits

Guided independent study in which students design and carry out research or a project of their own choosing.

Requirements will be set in accordance with the nature of the research or project, which must be approved by a faculty supervisor, the Dean, and the Registrar.

Prerequisite: Consent of supervisor, cumulative g.p.a. of at least 2.3, not on Academic Probation.

YO 313

YOUTH ISSUES AND CULTURE

3 credits

This course is designed to help the student gain an understanding of personal/relational issues and cultural influences faced by pre-teens and teens in today's world. We will be exploring such issues as suicide, cutting, loneliness, sexual activity, pornography and many others. Students will be better equipped to teach and counsel teens on the issues they face in life.

Prerequisite: YO 224 Creative Teaching Methods

Note: This or equivalent course available through Distance Education. Offered in alternate years.

YO 314

YOUTH COMMUNICATIONS

3 credits

This course is designed to help the student be better equipped to speak into the lives of teens. Students learn how to prepare talks and sermons that will leave a lasting impression on the audience. Students get experience speaking in a variety of public settings throughout the course.

YO 346

EXPLORING STYLES AND PHILOSOPHIES OF YOUTH MINISTRY

3 credits

This unique course meets 6 times during the semester and then takes a 10-12 day "road trip" to youth organizations and churches across Western Canada. Involves study of various types of youth ministry and first-hand observation of how

they are practiced. Students strive to understand the philosophy and structure of each organization and ministry and how they are reaching teens in today's culture.

Note: Course additional fee will be \$200.00 to help cover the cost of fuel and transportation. Students will also be responsible for their own food costs on the trip. Accommodation will be looked after. Offered in alternate years.

YO 460

TOPICS IN YOUTH MINISTRY

3 credits

This course is designed to cover a variety of topics that a person going into full-time youth ministry will encounter. Some examples are leadership development, staff dynamics, being a team player, leading week-long youth events, evangelism, and altar calls.

Prerequisites: YO 151 Introduction in Youth Ministry and CM 468 Youth Ministry Internship

ACADEMIC POLICIES

We have selected and condensed some of our policies for this section. The complete Academic Guide can be found at <http://prairie.edu/ckfinder/userfiles/files/PC%20Academic%20Guide%201617.pdf>

Definitions

APPLE Credit: Credit granted through our Portfolio program for prior learning experience outside the classroom. APPLE = Assessment Program for Prior Learning Experience.

Auditing student: An enrolment status enabling a student to attend a class without doing course work and without credit.

Credit hour: The basic unit of academic credit. One credit hour represents thirteen 50-minute class periods. Each course is given a credit-hour value, and graduation on any program requires a minimum number of credit hours.

Cumulative g.p.a.: The grade point average for all of a student's academic work.

Full-time student: Students taking 12 or more credit hours in the Fall or Winter semester.

Grade point average (g.p.a.): The total grade points earned divided by the total number of credit hours taken.

Grade points: The numerical equivalent of a letter grade. The number of grade points earned in a course equals the course credit hours multiplied by the point value of the grade. For example, a C+ (2.3 point value) in Reading the Torah (a 3 credit hour course) is worth 3×2.3 or 6.9 grade points.

Letter Grade: A letter indicating the instructor's evaluation of a student's achievement in a course.

Part-time student: A student who does not take enough hours to be full-time. Auditing students are not considered part-time students.

Prerequisite: A course students must take or skills they must have before they can take another course.

Transcript: An official copy of a student's permanent academic record, showing all courses taken and grades earned.

Transfer credit: Credit granted by one institution for work completed at another.

Undeclared student: A student taking courses but not planning to receive a certificate, diploma, or degree.

GRADUATION

Students meet the following requirements:

A. Academic

1. Completion of academic requirements on the academic program.
2. Minimum cumulative g.p.a. of 2.0 (2.3 on the Bachelor of Theology) in studies completed through the College.
3. Completion through Prairie of at least 12 credit hours on one-year programs, 24 on two-year programs, and 30 on three and four-year programs. Credit hours not done under the College's supervision (e.g. APPLE credits, Internship validation), do not apply. Graduates of other schools completing a PC degree must have at least 24 credit hours through

Prairie.

B. Spiritual Formation

Since students enter the College at different levels of development in their spiritual formation, no predetermined levels of achievement are appropriate for all. Instead, graduates demonstrate appropriate growth in spiritual formation outcomes determined by the College. These standards are met by successful completion of the candidature procedure and compliance with the Community Covenant during the candidature period.

C. Other

Approval of the President and Board of Directors upon recommendation of the Faculty.

TRANSFER OF CREDITS TO PRAIRIE

Transfer credit is given for courses studied in other post-secondary institutions. Courses from a recognized post-secondary institution can be transferred if they are comparable to ones in our curriculum and the grade earned is C- or better.

PRIOR LEARNING EXPERIENCES

Through our Assessment Program for Prior Learning Experience (APPLE), we grant academic credit for learning students have gained outside the classroom. Credit is granted for a specific course if the course objectives have been fulfilled by other means, determined by evaluation of a learning portfolio submitted by the student. There is a fee for this service.

CREDIT LOADS

The Fall and Winter semesters are 15 weeks. Spring Sessions courses are accelerated into shorter periods. The maximum semester load for any student is 19.5 credit hours. (Students may request an exception by contacting the Registrar).

ACADEMIC ADVISING

An academic advisor helps students choose and schedule courses and gives them assistance in other areas pertaining to their academic endeavors at Prairie.

COURSE CHANGES

For the policy on making changes to a student's class schedule, see the current Academic Guide on our website.

VIOLATION OF POLICIES

Students who violate academic policies or other regulations are liable to one or more of a number of penalties, ranging from denial of privileges to expulsion. A record of all serious violations is put into the student's file.

PROGRAM CHANGES

Students may change their academic program at any time for a charge of \$50. (The charge is waived for students in their first semester.)

REPEATING COURSES

Any course may be retaken, regardless of the grade earned. Only the higher grade will be used in computing the student's grade point average; however, the other grade still appears on the transcript.

ACADEMIC PROBATION AND SUSPENSION

Students will be placed on Academic Probation if

- a) they were enrolled in 6 credit hours or more in a semester (Fall or Winter) and
- b) their g.p.a. for that semester was below the following minimum: 2.3 on the Bachelor of Theology program or 2.0 on all other programs, including Undeclared status.

The College makes special academic help available to students on probation; such students are also under certain restrictions. Students who fail to make satisfactory progress are subject to Academic Suspension (mandatory withdrawal from the College) for one or more years.
