

Summer 1923

Prospectus for 1923-1924.
Second year
Three Hills Bible School.

The need of a Bible Training School for this district was laid upon the hearts of a few of God's children in the year 1921. Consequently, in the fall of 1922, after much writing upon God, the Bible School was opened in the school building, one mile north of Three Hills. The school stands for every whit of the "Fundamentals"; it is of an interdenominational spirit and character, and has as its motto: "In Jesus Christ and make Him known." Believing that God will supply all the needs for His church, and that His will is established upon a faith which is throughout.

The school year consists of two three month terms, concluding about April 15th, 1924.

Method of Bible Study:
