The pastoral program inspired me to believe that pastoral work is worth it. People matter; who they are in Christ matters. Being a part of someone’s journey in knowing Christ more is a profound privilege.

I watched my songs start as seeds and grow into fully produced works of art through the recording process. I entered the program with a lot of potential and left with a professional portfolio.

ATHLETICS

Varsity sport is an important part of Prairie College community life. Our student-athletes compete at the highest possible level and challenge themselves to become their best in the classroom and in sport. Our teams have begun transitioning to the Alberta Colleges Athletic Conference (ACAC), and Pilots athletics will be seeking to elevate all sports to that level in the coming years.

Recreational sport is also available for those looking to keep fit and have fun without the demands of intercollegiate sport. Club sport or intramural options include volleyball, basketball, pickleball, Spikeball, flag football, and others.
